

UNIVERSITY OF LONDON MOUNTAINEERING CLUB

Caseg Fraith Hut, Snowdonia

Departure Checklist

Before you leave please ensure that you have:

- all signed the hut register
- dried and put away all the washing-up
- wiped down all kitchen surfaces and the insides of the fridges
- left the freezer and fridges empty, clean, switched-on and closed
- left the ovens, hobs and the microwave oven clean
- left the wash basins, showers and toilets clean
- swept and/or vacuumed all floors
- mopped the kitchen, shower room and toilet floors
- cleared out the fire grate, removed the ashes and replenished the coal hod
- closed and fastened all the windows
- checked that you haven't left any belongings, waste, recycling or surplus food in the hut
- tied up the all the black bags containing general waste and placed them in the bin in the car park
- checked that no taps are running
- turned off the water supply to the hut by closing the two lever valves on the panel behind the water treatment system, so that they are at right angles to the pipes.
- checked that the pump and UV treatment system are left switched on
- checked that the heating boilers, immersion heater and all lights (including those in the toilets) have been switched off
- checked that all three toilet doors and the waste bin have been locked and the keys have been left on the hook by the entrance
- checked that no waste or litter has been left outside the hut or the waste bin

Are you leaving the hut as you would wish to find it?

Please close the main door firmly and check that it has been locked by pushing it and please close the sheep gate as you leave. We hope you enjoyed your stay at Caseg Fraith and that you have a safe journey home!
